

Dear customer

In order to supply you with a photovoltaic power system that best fits your needs, we have to know when and where you would like to power what electronic equipment with it. Please fill in this sheet as complete as possible and forward it to us by fax: +41 (0)44 762 18 15 or Email: solarbox@iteco.ch. We are looking forward to offering you a robust solar power system that you will enjoy for many years.

Contact details:

Name:
Street:
ZIP/City:
Tel:
Mail:

Site of usage:

Country:
Location:

Coordinates:
Elevation:

 asl.

Typ of application:

- Vehicle/Boat
 Hut
 Building
 Many buildings
 Village
 Other

Additional power supply available?

- Diesel generator Wattage: W
 Hydro power turbine Wattage: W
 Wind turbine Wattage: W
 Grid Available: Hours/day
 Others Wattage: W

Description:

Seasonal use:

- Spring
 Summer
 Autumn
 Winter

Weekly use:

- Daily
 On weekends
 Normally on days per week

Mounting of the photovoltaic modules:

- Inclined roof
 Flat roof
 In the open
 Others

roof exposition: (N,NE,E,SE,S,SW,W,NW) roof angle: °

Typ:

Desired voltage of the system:

- 12 V DC 24 V DC 230 V AC 50 Hz 120 V AC 60 Hz
 Others

Consumption:

	Quantity (Pcs)	Wattage* (Watt)	Usage (Hours/Day)	Required energy (Wh)
Energy saving lamps	<input type="text"/>	10	<input type="text"/>	<input type="text"/>
Radio / CD	<input type="text"/>	20	<input type="text"/>	<input type="text"/>
Laptop	<input type="text"/>	30	<input type="text"/>	<input type="text"/>
TV	<input type="text"/>	40	<input type="text"/>	<input type="text"/>
Fridge	<input type="text"/>	60	<input type="text"/>	<input type="text"/>
